- Standard length 1 meter (± 1.5 %)
- Standard carton size is 104x51x62 cm
- ISOPIPE HT SYSTEM can also be offered with SLIT & SEAL tapes, including two self-adhesive and one overlap tape.

ISOPIPE HT System (UV PLUS)

- ✓ Protection Thickness: aprx. 125µm
- ✓ Layers: PET (Polyester) transparent film - Aluminium foil PE (Polyethylene)

ISOPIPE HT System (HD)

- ✓ Protection Thickness: aprx. 230µm
- ✓ Layers: Transparent film - Aluminium glossy - PVC FR (Flame Retardant)
